

ARE YOU LOOKING FOR A CAREER THAT IS STIMULATING AND CHALLENGING? WHERE EVERY DAY BRINGS AN ALTERNATIVE TO AN ORDINARY 9 TO 5 JOB? IF YOU ANSWERED “YES” THEN THIS IS THE PROGRAM FOR YOU!!

Beginning Fall 2008 you could change the direction of your life by enrolling into the Public Safety Communications Professional Program at Georgian College.

If you are looking for an exciting career and want to serve your community, this may be the job you are looking for. This Bronze Level Training will fast track you into your new career.

Public Safety Communications is a fast growing, financially rewarding and ever changing career. Agencies are constantly looking for hard working qualified people. This program is designed to assist students to meet their needs.

Symposium Technologies have provided us with an up-to-date Computer Aided Dispatch (CAD) Simulator to enhance your training experience.

PUBLIC SAFETY COMMUNICATIONS PROFESSIONAL PROGRAM

BRONZE LEVEL

This nine week course will prepare students for employment in the field. This course is designed to assist students in becoming proficient in Call Taking, Dispatching, 9-1-1 and Computer Aided Dispatch (CAD) duties. Successful completion of the Public Safety Communications Professional Program will prepare students for a career in Police, Fire or Ambulance Dispatching, and also be beneficial to all areas of Call Centre employment.

PROFESSIONAL CERTIFICATE

Unique to any other program we will offer an additional series of one day courses which you may accumulate to earn your Silver , Gold, Platinum levels and ultimately our newest certificate as a Public Safety Communications Professional.

Some of the additional courses include:

Stress Mastery
Taking Suicide Calls
Hostage Negotiation for Communicators
Domestic Violence for Communicators
Police Incident Command for Communicators
Fire Incident Command for Communicators

Proven Ways and Georgian College offer you a unique opportunity to:

- **Fast track into your new career – other courses may take up to two years to complete,**
- **Receive 100% job related subjects – other courses include material not relevant to the job,**
- **Take calls in a ‘*simulated*’ environment – you will actually be “doing the job” and gaining the skills and confidence to get you “job ready”.**

Proven Ways has been an industry leader in Public Safety Communications training throughout North America since 1993. Proven Ways is on the leading edge with technology changes to ensure students are receiving current information.

Since 2001, Proven Ways in partnership with Georgian College has been providing Professional Training to Emergency Services Communications personnel as well as delivering training to address Community needs. Over 10,000 students have received training during this partnership.

Georgian College Telecommunications Training Centre at the Orillia Campus is located on the shores of Lake Simcoe.

Georgian College ranks #1 in Ontario for graduate placement.
